LOVELY PROFESSIONAL UNIVERSITY

BASIS OF EVALUATION AND GRADING

1. The University uses the following letter grades to report a student's performance. Each letter grade indicates the level of performance in a course and has an associated grade point value as per the following table:

Letter Grade	Performance	Grade Points
O	Outstanding	10
A+	Excellent	9
A	Very Good	8
B+	Good	7
B	Above Average	6
C	Average	5
D	Marginal	4
E	Reappear	0
F	Fail	0
I	Incomplete	-
R	Resubmission (in case of projects/dissertations or other similar courses)	-
S	Satisfactory (for zero credit courses only)	-
U	Unsatisfactory (for zero credit course only)	-

2. **O, A+, A, B+, B, C** and **D** are Pass grades. **E** is a temporary grade indicating permission to appear in the re-appear examination to improve it to a passing grade, and **F** is a fail Grade. **I** represents an incomplete result and is replaced with the grade that a student obtains after completing all the prescribed requirements. **R** represents resubmission in case of projects/dissertations or other similar courses. **S** and **U** grades are awarded only in case of courses with zero credit: S for satisfactory performance and **U** for unsatisfactory performance in a course.

3. A student's overall academic performance within a given term is represented by Term Grade Point Average (TGPA), and the overall performance in all the courses completed up to and including the current term is represented by Cumulative Grade Point Average (CGPA). TGPA and CGPA are calculated as the weighted averages of the grades:

$$\text{TGPA / CGPA} = \sum C_i G_i / \sum C_i,$$ where C_i represents the credits associated with the ith course of a term and G_i represents the grade points earned in the ith course.

4. If conversion from CGPA to marks is required, the equivalent percentage of marks may be calculated by multiplying the CGPA with 9.0

5. The CGPA requirement for the award of degree / diploma / certificate will be 5.0 or above for Regular Programmes and 4.0 or above for Distance Education Programmes, subject to getting a pass grade in each of the courses individually, and satisfying other conditions as specified in the examination ordinances / rules and programme details.

6.

Division	CGPA
First with distinction	9.0 or more subject to the conditions that student has passed all the courses in the 1st attempt.
First	7.0 or more but less than 9.0
